

NEW RELEASE

HealthFlex Pivot Mattress

- Innovative Oscar 'Pivot' mattress hinge designed to significantly reduce skin 'shear strain' when raising and lowering your electric bed backrest.
- By allowing the mattress surface to bend and glide freely over adjustable bed bases, a more comfortable user experience is achieved. Reduced body movement across the mattress surface also reduces 'sliding friction' discomfort between the skin and mattress surface.
- Low profile 22cm mattress height.
- Foam box edge support – providing excellent transfer stability.
- A clinical mattress designed to suit the aesthetics of your home environment.

NEW RELEASE

HealthFlex Pivot Mattress

Australian Made Oscar Health Flex PIVOT mattress is available in three feels, Soft, Medium and Firm. All feels include Joyce HygroFlex® foam tested by RMIT University to show the following benefits:

- More effective pressure redistribution than traditional memory foams
- Superior Airflow which helps diffuse body heat more rapidly.
- Less 'sinking feeling' than experienced with most memory foams.
- Reduced surface shear and friction.

New 'Pivot Hinge'

Increases user comfort by reducing skin shear and friction from adjustable brackets.

Sanitised stretch knit fabric.

A Super soft foam gives the quilting depth and a soft, luxurious feel.

Premium high density Australian foams including HygroFlex open cell foam, which enhance comfort and provide excellent support.

High density solid foam foundation layer is designed to help prevent users 'bottoming out' onto the bed base. This is built with firm edges designed to suit articulating beds.

ARTG#448347 – Manufactured using premium Australian made Joyce Foams which have low VOC content. – achieving Oeko-Tex Standard 100 Certification – Global Green Tag / GECA Certified – Manufacturers Warranty: 10 Year Foams, 5 Year Cover.
